

*"Share what you know,
Learn what you don't."*

Dedicated to providing computer information and assistance to computer users, IT professionals and small business owners.

User groups provide an opportunity to network with other computer users and IT professionals. We offer many Special Interest Groups (SIGs) that provide tips, tricks and answers to those elusive questions.

Non-members are always welcome to visit and participate in two SIG meetings without charge.

**Meetings are 3rd Saturday
of each month**

**All SIG meetings are held at
Northaven United Methodist Church,
11211 Preston Road, Dallas, TX 75230**

NTPCUG.org Is Now on WordPress !!

As of June 5th, NTPCUG has moved our main website to WordPress, still hosted by GoDaddy. WordPress was offered by GoDaddy after noticing that our menus were not performing as desired for **Chrome** users, and we determined there was no readily available fix.

Many thanks to **Howard Lee Harkness** for taking the lead in showing **Glynn Brooks** and **Doug Gorrie** how to create and update a WordPress site. And just in time, the **App/Dev SIG** is *coincidentally* providing an introduction to WordPress - Setting up a **WordPress** website from scratch. *How ironic !!*
