### ***NTPCUG.org Is Now on WordPress !!***

As of June 5<sup>th</sup>, NTPCUG has moved our main website to WordPress, still hosted by GoDaddy. WordPress was offered by GoDaddy after noticing that our menus were not performing as desired for **Chrome** users, and we determined there was no readily available fix.

Many thanks to **Howard Lee Harkness** for taking the lead in showing **Glynn Brooks** and **Doug Gorrie** how to create and update a WordPress site. And just in time, the **App/Dev SIG** is *coincidentally* providing an introduction to WordPress - Setting up a **WordPress** website from scratch. *How ironic !!*
