

Biography – Hewie Poplock

Hewie Poplock, a seasoned tech enthusiast with a career spanning teaching, business ownership, and IT management, has been actively involved in user groups since 1982. He's held leadership roles in numerous organizations, including the Sarasota Technology User Group, the Central Florida Computer Society and the Association of Personal Computer User Groups.

Currently, Hewie is dedicated to helping senior citizens embrace technology, co-hosting weekly webcasts and sharing his knowledge through YouTube videos and AI discussions. He leverages his APCUG Speakers Bureau membership to connect with tech communities nationwide.
