

**Judy Taylour, President, SCV Computer Club | Member, APCUG Speakers Bureau**

Judy has been an active member of the Santa Clarita Valley Computer Club for 37 years and currently serves as president. She co-facilitated SCRUGS for more than 20 years, helping Southern California computer clubs collaborate and thrive. Judy also served 23 years in leadership roles for the Southwest Technology Conference.

A dedicated technology educator, Judy has taught adult technology classes for over 20 years through her local high school district and presents for APCUG's Speakers Bureau. She is also a member of the Los Angeles FBI Senior Scams Working Group and serves on the Pierce College Computer Applications and Technologies Department Advisory Committee.
